We stand with cafeteria workers!

Thank you to our SNS colleagues for showing us how it's done this week. Cafeteria workers won 4-7% raises this week, and GCAE extends our heartfelt congratulations and solidarity to our SNS staff for their dedication and bravery in taking this collective action to better their working conditions. They have shown us that collective power is effective power, and we are inspired by their unity, courage, and leadership.

It is important to also add that this raise is not enough, and that this fight is by no means over. Cafeteria workers and *all* workers in our district must stand together and use our powerful numbers to change conditions in our public schools. We must organize and fight to win the schools we and our students need and deserve.

The first step is to connect with your coworkers in your union.

Build your union at [Organizing Bootcamp](http://bit.ly/OrgBootcamp24)! Sign up and bring a team to this intensive organizing conversation training that will give you the tools to level up at your work site.
