What's the most powerful thing working people can do to build power in this political context? Build the foundation of our permanent, independent, democratic workers' organization -- in other words, our UNION. Now's the time to start the New Year with a bigger, more powerful union for the next fight!

One way you can grow a bigger, more powerful union is by inviting your coworkers to join their union. And during [Solidarity Season](#), you can also win swag for the members in your building!

To get started, read through the [Leader Guide](#), and make a plan to ask a coworker to join today! If you would like support in planning for your one-on-one member recruitment conversations, reply to this email to request coaching.

Remember, if you recruit 1 new member in your building BEFORE SATURDAY, a GCAE leader will come out to your school with some snacks and swag to help you recruit

**November 14 - December 12**
