We have a **major update about a centralized statewide action!** We need **YOU and your coworkers** at an urgent update meeting **MONDAY NIGHT** to get all the tea and start getting ready.

Enough is enough. We don't even have a **state BUDGET**, and elections are coming. This is our moment to come together and **WIN** — so come on, and bring your coworkers. See you at 7:30 Monday.

RSVP <https://tinyurl.com/GCAEupdate12-8-25> to receive the Zoom link for this meeting.
