Labor Day weekend was a great reminder of the struggles workers have had over generations to improve our working conditions and our lives. If *you're* ready to step up for yourself and your coworkers, [GCAE Organizing Committee](#) is for you.

At OC, you'll meet with other Building Action Team leaders to strategize and work towards moving majorities at your worksite. You can start from right where you are, and we'll support you to take the next step.

Our first OC meeting of the school year is TOMORROW, and we'll even feed you dinner. [Register now!](#)
